Thanks, Michelle.

I updated the time for next Monday's status call to 10AM eastern; everyone on the normal call distribution (including Kim) will receive an updated invite with the revised time. We will be evaluating the data and updating the model late this week. I will send you a meeting agenda prior to the meeting, as soon as this it is available, likely this weekend.

Regards, Stan

Subject: Pohatcong OU3 - Call on 4/30/18

Hi, Stan-

Just getting back to you about the call for Monday, 4/30. Kim is available for a 10am meeting on Monday. Please send a meeting invite with agenda and any updated figures and tables at your convenience.

Thank you!

Michelle-
